# ALPHA

## Window and Room Air Conditioners

At Carrier, our products stand with unmatched expertise. As the inventors of air conditioning, we have the world's largest selection, and the latest in comfort technology, efficiency and noise reduction. In Australia, Carrier constantly strives to satisfy your home cooling needs with products designed to handle the ever-changing harsh Australian climate.

Whether it's your first time to buy an air conditioner, or you are someone who wants a practical and reliable replacement for their current system, Carrier Alpha is the first choice. With more homes worldwide trusting Carrier than any other brand, now is the time to Turn to the Experts.

Carrier Window Room air conditioners offer a range of Alpha models suitable to meet the cooling needs of your home or business.

For peace of mind Carrier Alpha comes complete with a 3 year parts and labour warranty fully backed by our own Carrier service operations.

Window Room air conditioners are best known for being simple to install so you'll be cool and comfortable in no time. Available in a full range of cool only models, including the high capacity 10amp plug model WR200C.
